

Rolla Church of Christ Campus Ministry

Our group focuses on fellowship, growing closer as Christians, having fun! Every week one evening and have “Breakfast for Dinner” (BFD). This is a time for us to relax, not think about school, and eat lots of bacon. We also have a weekly devotional on Friday nights which involves praising God through song, some short thoughts from one of our students, and more time with each other. We also have other activities that include sledding, camping trips, service projects, game nights, and skeet shoots, just to name a few. We hope you come and join us! This group is funded by the Rolla Church of Christ which is where most of us attend on Sunday mornings.
