Why doesn't the church act better than it does?  
Because it is made up of humans who are still  
trying to figure it out themselves.

**Missions News**

Please pray for Judy and Kendall-Ball in Scotland. They will be moving soon to a house in Stirlingshire which is more centrally located for those they serve.

The church will be meeting in their home. Both Judy and Ken have health problems. We all know how difficult moving is especially if age and health are not on our side. They are excited about their ministry and want to continue doing all they can.
