Dear Parents,

Your children did a fantastic job at the Christmas program! They were beautiful singers as angels and shepherds! We are excited about the rest of the school year with your children! We have many wonderful activities planned! Check out our website at: www.seekgrowserve.org Our field trips include: Forum Dental Clinic and Old McDonald's Farm. We will also have a Valentine's card exchange, a Mother's Tea and our Graduation Program. Applications for 2019-2020 will be available starting mid-January!! Just a few dates for your calendar now!

February 7 (Thursday) – Forum Dental Clinic Field Trip (9:30 – 10:30 AM).

February 14 (Thursday) – Valentine's Day Class Party and exchanging Valentines.

March 21 (Thursday) – Mother's Tea (10:00 – 11:30 AM).

March 26 & 28 – Spring Break. No School.

April 11 (Thursday) – Old McDonald's Farm Field Trip (9:30 – 10:30 AM).

April 16 (Tuesday) – Bring 12 candy-filled plastic eggs to class today!

April 18 (Thursday) – Easter Egg Hunt

May 9 (Thursday) – Last Day of School and our Graduation Program.

As a reminder: You can bring your children 10 minutes early to class each day. It really helps for an unrushed transition between mom/dad and the teacher and they don't miss out on any activities. Also, if there is bad weather, we go by the Rolla Public School System for cancellation of our school day (Phone: 458-0101, "2")

Thank you! Your children are the blessing of this program! In Him, Cathy
